Yoga AID Challenge Success

On the fifth of March in Rishikesh, India 300 people from 32 countries participated in the Yoga Aid Challenge. It took place at sunrise on the banks of the Ganges River surrounded by the Himalayan Mountains.

There was a feeling of unity and giving as participants completed the 108 sun salutations to benefit children in need around the world. Clive Mayhew, Eriko Kinoshita and Mayumi Staley recruited twelve world-renowned teachers to inspire the participants with a variety of unique sun salutations. It was an extraordinary experience combining yoga with benefiting disadvantaged children.

Participants raised \$8,304 for the 4 Oneworld St. Kizito Computer Literacy Project!

Thank you to all of the participants and thank you Clive, Eriko and Mayumi for organizing this incredible event.

Educate. Inspire. Empower

St. Kizito hires an additional computer teacher

St. Kizito computer teacher, Denis Mwa has been working extra hours in recent semesters. Larger class sizes and the network administration are causes for the increased workload.

The St. Kizito Board of Governors understands the importance of the Information Communications Technology (ICT) program. They chose to hire Sarah Nanfuka, an ICT graduate from Uganda Martyrs University. She will be responsible for a total of four classes of freshman and sophomores. Denis teaches the juniors, as well as two classes for the freshman and sophomores. He is also the Network Administrator.

St. Kizito Headmistress, Elizabeth Odyek reports, "Denis and Sarah are cooperating well."

St. Kizito Computer Teachers, Denis Mwa and Sarah Nanfuka

THANK YOU FRIENDS supporting my Yoga Aid Challenge
\$2257 for St. Kizito Computer Literacy!
